DETAILED ACTION

Applicants' response and English translation of Korean Priority Application No. P-98-18883 dated 08/19/2005 have been received and entered.

Reason for Allowance

1. Claims 1-52 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The references of record neither disclose nor make obvious an LCD device and a method for manufacturing of the same comprising a combination of various elements/steps as claimed more specification of a pad (terminal/ITO) having an edge facing the substantially perpendicular first panel outer edge and extending in the horizontal direction along a surface of the second panel and the facing edge of the pad (terminal/ITO) being spaced apart from the substantially perpendicular edge of the first panel in the horizontal direction by a desired distance as well as the step of cutting a portion of the first panel covering the pad in order to expose the pad so that the pad does not overlap with the common electrode and a cut protection member being provided on the second panel during a cutting process of the LCD as set forth in claims 1, 11, 21, 31, 39 and 45.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
